

ORANGE HEIGHTS

Neighborhood Meeting!

Sunday, February 13th, from 3:00 to 4:00 pm
at 1034 North Madison.

The first Orange Heights Neighborhood Association (OHNA) meeting in many years will be hosted by Colette & Ben Porter.

It will be BRIEF with focus on two key points;

1. To list some of our neighborhood concerns, and,
2. To receive volunteers for the ad hoc committee to re-activate our neighborhood association.

A strong OHNA can address issues that concern us all such as crime, speeding cars, mail delivery, and local film production, to name just a few...

Did you know:

- Neighborhood associations in Pasadena actually have some political clout and can get things done?
- The OHNA already has \$3,500 in available funds?

Please make time to be there. And bring the kids! We'll have friends and neighbors there to watch over them. Plus we will have chips and drinks.

If you have questions please call Ben at 310-463-8400.
