KEEP COOL!

Some pointers from The Centers for Disease Control and Prevention: Wear light, loose fitting clothing; drink water often, don't wait until you are thirsty; offer assistance to shut-ins in your neighborhood; avoid unnecessary exertion if you are outside or in a non-air conditioned area; avoid unnecessary sun exposure; wear a wide brim hat when outside. For more tips on staying cool and extreme heat resources, visit the Web at: www.bt.cdc.gov/disasters/extremeheat.

ARBORIAL MANICURE PERFORMED

One can never accurately attribute the cause of bureaucratic action, but after many, many months of OHNA Board efforts, the trees in Orange Heights got a long overdue and much needed trimming. Early reports are favorable. But, of course, it happened on the one week when we could have used a little more shade.

NORTHWEST SERVICE AREA ADVISORY BOARD

On the second Tuesday of every month, from 6:00 to 7:30 pm, the Pasadena Police Department hosts the Northwest Service Area Advisory Board meetings, generally at the Jackie Robinson Community Center on Fair Oaks Ave. In addition to information on recent incidents and trends in the northwest area of Pasadena, this meeting provides an informal forum for residents to express concerns and ask questions of the representative of the police department. Meeting reminders will be sent to those on the email list. For additional information contact Julie Heather, (626) 296-6648 or email her at julie@paque.com.

DID YOU KNOW?

In 1873, a group of more than a hundred Hoosier families acquired 4,000 acres of what had been the San Pasqual Ranch for \$25,000. They called it "Indiana Colony". In 1875 the name was officially changed to Pasadena.
